Metastatic Breast Cancer Sessions 2026

Patient information

ABOUT US

Metastatic Breast Cancer Sessions are held monthly on a Friday at the San Cancer Support Centre in Jacaranda Lodge.

These sessions are available to all women with metastatic breast cancer, irrespective of where treatment is being received.

WHAT TO EXPECT?

These sessions have been designed to provide patients with information in a relaxing, safe, space.

A guest speaker presents on a specific topic for the first half of the session and the second half of the session provides time to ask questions, discuss and meet fellow patients. A mixture of education and social to help you feel empowered and supported.

The sessions are facilitated by the San's McGrath Breast Care Nurse, Kate and the San Cancer Support Centre's volunteer, Deb.

Some topics that will be covered include ;

- Tips on managing side effects
- Setting Goals
- Balancing nutritional needs during treatment
- Clinical Trials

The group is interactive and suggestions regarding topics are welcome.

The San Cancer Support Centre was established in 1993 and offers support to anyone affected by cancer diagnosis.

Services are FREE to both public and private patients, regardless of where the treatment has been provided.

EDUCATION FORUMS

Forums are held throughout the year on a variety of relevant topics. Please enquire at the Cancer Support Centre.

Family members, friends and carers are welcome to attend education forums.
